MADRAS RECORD OFFICE.

Government of Madras.

Revenue DEPARTMENT.

G.O. No. 2452-53 Press Mis.-

473-75

Dated 28 9 1871.

Not to be folded or roughly handled

No. 493. Read the following Endorsement of the Officiating Chief Engineer for Irrigation, dated Fort St. George, 25th August 1871, No. 157:—

From the Superintending Engineer, 2nd Division, to the Chief Engineer for Irrigation, dated Camp at Masulipatam, 15th August 1871, No. 56.

I HAVE the honour to enclose a Statement of Establishment required for the Survapully branch of the main project in lieu of a portion of that sanctioned in G.O., No. 2,687, dated 16th August 1869.

1 Statement.

2. Since that order was passed the head sluice to supply Survapully tank, the surplus sluice adjacent, and the Wallur channel head sluice, have been built. The Goomastah must be constantly present on these works to keep the registers and distribute the water, and the lascars will be required to assist and to keep clean, throughout the year, the valuable screw gearing attached to the above and the direct irrigation sluices in 7½ miles of channel.
