Proceedings of the Madras Government, Public Works Department, 29th September 1871.

No. 503. Read the following Endorsement of the Acting Consulting Engineer for Railways, dated Madras, 11th September 1871, No. 384 :—

From the Agent of the Great Southern of India Railway, to the Acting Consulting Engineer for Railways, dated Negapatam, 6th September 1871, No. 4,177.

THE sanction of Government for the disbursement of the cost of the Chief Engineer's establishment lapses at the end of the current month. Will you please therefore apply for an additional grant from the 1st proximo, at the rate of Rupees 10,500 per mensem, until the works of the Southern Extension are taken in hand.

SUBMITTED to Government.

2. The re-modelled plans and estimates for the Southern Extension on the narrow gauge have been received, and are under examination, but some references have been made to the Chief Engineer which cause delay in the submission of the plans to the Government, and I would recommend that a further sum of Rupees 31,500 be authorized to meet the cost of the Chief Engineer's establishment during October, November, and December 1871.
