ESTABLISHMENT, No. 51.

THE Government see no reason to modify their orders of the 1st November 1870, No. 2,610. In accordance with the terms of his covenant passage money of Rupees 600 was paid to Mr. Smith on his intimating his intention to return to England, but as he has since accepted re-employment, he should now refund the amount which will be disbursed to him when at any future time he may desire to take his passage to England.
