## *Proceedings of the Madras Government, Public Works Department, 5th October* 1871.

No. 57. Read the following Endorsement of the Revenue Department, dated 8th September 1871:—

Proceedings of the Board of Revenue, dated 30th August 1871, No. 3,730.

From the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Sholinghur, 14th August 1871, No. 420.

I HAVE the honour, with reference to the Proceedings of the Board, dated 20th ultimo, Nos. 3,028 and 3,030, to forward copy of a letter * received from the Superintending Engineer, 4th Division, from which the Board will observe that Colonel Wilkieson is unable to spare any one from his department for drawing up the plans of the Railway Stations. I have of course no means of getting these plans prepared, and as the Superintending Engineer says his ordinary staff cannot undertake the task, I beg that Government may be moved to sanction some such arrangement as that suggested by Colonel Wilkieson.

* 11th August 1871, No. 2,016.

From Colonel C. V. WILKIESON, R.E., Superintending Engineer, 4th Division, to the Collector of North Arcot, dated Madras, 11th August 1871, No. 2,016.

WITH reference to your letter No. 229, dated 5th August 1871, requesting that the preparation of plans for the Railway Stations at Arconum and Renigunta may be taken up as the first of the series of the complete set, called for in paragraph 3 of Government Order, in the Revenue Department, No. 117, dated 28th June 1871, I have the honour to state that I am unable to spare any one from my department for drawing up these plans, as every member is too fully occupied with the legitimate duties of his own vocation.

2. I would, however, suggest your applying to the Board for a special establishment of a Surveyor and Draughtsman on a monthly salary of Rupees 100, and six lascars at 6 Rupees each, who will be able to devote their whole time in preparing the surveys and plans of all the Railway Stations in the several districts comprised in this division, the charge being debited to each district separately.
