***Proceedings of the Madras Government, Public Works Department, 7th October* 1871.**

No. 96. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 30th September 1871, No. 1,237 :—

I HAVE the honour, with reference to paragraph 3 of letter printed with G. O., No. 1,462, dated 30th May last, to report that, during my recent tour through the Anantapoor and Pennacondah Ranges in this district, I took the opportunity of examining Messrs. Gill, Dighton, and Revis, Talook Overseers, in colloquial Telugu.

2. I consider Mr. Revis to have passed the examination pretty fairly, and accordingly adjudge him as having "passed."

3. Messrs. Gill and Dighton seem to need a better acquaintance with the language to be able to understand an ordinary petition when it is being read, and explain the same sufficiently clear to enable common workmen to understand them.

No. 97. ORDER THEREON, 7th October 1871, No. 2,549.
