Proceedings of the Madras Government, Public Works Department,
7th October 1871.

Read the following papers:—

No. 109. From the Superintendent of Garrison Instruction, to the Secretary to Government, Public Works Department, Madras, dated Murree, 26th August 1871, No. 66.

In acknowledging the receipt of the Order of the Madras Government, No. 2,016, on my letter No. 39 of 20th July last, I would beg to point out that the Governments of Bengal and Bombay have authorized the issue of instruments for Garrison Instructors without payment, and that if a different course be pursued in Madras, it may probably lead to further references and correspondence, involving much delay in their issue.

2. You will observe that Government letter No. 431, Military Department, dated Simla, 17th June 1871, and G. O., No. 152, of 1871, authorize the instruments being provided at Government expense, and that no authority is given to Garrison Instructors to pay for them.

3. If there should be any difficulty in carrying out my proposal as a matter of account, perhaps the difficulty might be met by issuing the instruments as a temporary loan to this department, to be returned on receipt of the regular supply from home.

Referred to the General Superintendent of Public Works Stores, with a view to his reporting whether there will be any difficulty in acceding to the arrangement proposed in paragraph 3.

(Signed) A. deC. SCOTT, Captain, R.E.,
Under Secretary to Government.

6th September 1871.

No. 110. From the General Superintendent of Public Works Stores and Workshops, to the Secretary to Government, Public Works Department, dated Chepauk, 8th September 1871, No. 441.

In returning herewith the letter from the Superintendent of Garrison Instruction, forwarded to me for report with G. O., dated 6th September 1871, I have the honour to state that there is no difficulty in complying with the arrangement proposed in paragraph 3 of Colonel Osborne's letter, namely, to issue the instruments as a temporary loan to his department, to be returned into the Public Works Stores on receipt of the supply from home.

No. 111. Order thereon, 7th October 1871, No. 2,556.

ACCOUNT, No. 9.

The Government authorize the issue of the instruments, etc., required by the Superintendent of Garrison Instruction on the condition of their being replaced from the supply expected by that officer from England.
