*Proceedings of the Madras Government, Public Works Department, 9th October* 1871.

No. 136. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Camp at Streevilliputtur, 18th September 1871, No. 2,206:—

In reference to G. O. of the 23rd August 1871, No. 2,165, approving of the appointment of Nagalingum Pillay to officiate as Talook Overseer, I have the hononr to request that Government will be pleased to exempt him, as a special case, from passing the prescribed test for Talook Overseers, in order to enable me to confirm him in that appointment.

2. Nagalingum Pillay has already done good service to Government in exposing frauds that have taken place in his predecessor's time in the Meyloor Talook, and as the Pillay is a man of independent means and of sound judgment and integrity, it is very advisable, in the interests of the Government, that he be confirmed in his appointment if only to set an example, which is lamentably needful in this division, as to how an Overseer can do his work fearlessly and honestly to the Government that employs him, and to the good of the people among whom his lot is cast.

No. 137. Order thereon, 9th October 1871, No. 2,570.

ESTABLISHMENT, No. 10.

The Government will be prepared to consider this application on a report after twelve months of how Nagalingum Pillay discharges his duty as an Overseer.
