Proceedings of the Madras Government, Public Works Department, 13th October 1871.

Read the following papers :—

No. 204. From the Officiating Deputy Secretary to the Government of India, Public Works Department, (Irrigation,) to the Acting Joint Secretary to the Government of Madras, Public Works Department, dated Simla, 3rd July 1871, No. 260-I.

I AM directed to request that you will favour the Government of India, as early as possible, with a sketch map illustrative of the localities and course of all irrigation canals and works, constructed, in progress, and contemplated in the Madras Presidency. It is essential that the Supreme Government should possess a general map showing the course of all irrigation projects, and the sketch map called for is needed to aid in its preparation.

No. 205. Docket from the Government of India, Public Works Department, (Irrigation), dated Simla, 15th July 1871, No. 299-I.

COPY of the following correspondence forwarded to the Government of Madras in the Public Works Department, Irrigation branch, for information, in continuation of this office letter No. 260-I., of the 3rd instant.

(By order,)
(Signed) F. H. RUNDALL, Colonel, R.E.,
Offg. Dy. Secy. to the Govt. of India.

From the Joint Secretary to the Government of the North-Western Provinces, Public Works Department, Irrigation branch, to the Secretary to the Government of India, Public Works Department, dated Allahabad, 10th July 1871, No. 2,109-I.

WITH reference to Colonel Rundall's letter No. 263, dated 3rd instant, requesting the submission of a sketch map illustrative of the localities and courses of all irrigation canals and works in these provinces, I am directed to enquire whether it is intended that distributaries should be shown or only canals.

From the Government of India, Public Works Department, to the Joint Secretary to the Government of the North-Western Provinces, Public Works Department, Irrigation branch, dated 15th July 1871, No. 298-I.

IN reply to Captain Marindin's letter No. 2,109-I, of the 10th instant, I am directed to state that the sketch map called for should illustrate the course and localities of all main canals, but only of main distributing branches.

No. 206. Docket from the Government of India, Public Works Department, (Irrigation,) dated Simla, 22nd July 1871, No. 333-I.

COPY of the following letter forwarded to the Government of Madras in the Public Works Department, for information and guidance, in continuation of this office endorsement No. 299-I., dated the 15th instant.

(By order,)
(Signed) F. H. RUNDALL, Colonel, R.E.,
Offg. Dy. Secy. to the Govt. of India.

Proceedings of the Madras Government, Public Works Department, 13th October 1871.

From the Government of India, Public Works Department, to the Joint Secretary to the Government of the Punjab, Public Works Department, Irrigation branch, dated 22nd July 1871, No. 332-I.

In reply to your letter No. 2,951-I., of the 15th instant, I am directed to state that the sketch map called for should illustrate the course of all main canals and main distributing branches, as well as the localities of principal masonry works, such as anicuts or dams, locks, bridges, aqueducts, and falls, etc.

2. It is believed that maps on a scale of 8 miles to the inch are available for every province, and, if so, all that is necessary is that one of these maps be obtained, the information required by the Government of India entered on it, and the map thereafter transmitted to this office.
