No. 216. Read the following Proceedings of the Board of Revenue, dated 28th September 1871, No. 4,152:—

From the Acting Deputy Collector in charge of Salt Department, to the Acting Collector of Ganjam, dated Chetterpore, 1st June 1871, No. 110.

I BEG respectfully to submit the following annual report on the Salt Roads of this district.

At Ganjam	2
,, Itchapore	1
,, Nowpada	3
,, Oomeravilly	2
Total...	8

2. There are altogether eight approaches to the salt platform at the four pans, as shown in the margin, which I have inspected; they were repaired during the past official year, and are in good condition now.

3. The new road sanctioned by the Board of Revenue in their Proceedings, dated 21st December 1870, No. 7,246, to be constructed to No. 4 salt platform at Nowpada, is in progress in the hands of a Contractor, to whom a sum of Rupees 442-12-6 was advanced during last year for earthwork and turfing.

4. The sandy portion of the road between Nowpada and Raghunadapore, measuring about 340 yards, requires to be metalled; which will be done from the funds sanctioned for the purpose in the present year's Budget.

5. A piece of the Grand Trunk Road adjacent to the salt works at Nowpada is still in an unfinished state. It would be a great convenience to the public as well as to the salt traffic if it could be completed as soon as possible.

No. 1,114.

SUBMITTED to the Board of Revenue, with reference to their Official Memorandum, No. 1,049, dated the 5th August 1871.
