Proceedings of the Madras Government, Public Works Department, 16th October 1871.

No. 260. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 19th September 1871, No. 1,903 :—

WITH reference to G. O., No. 2,237, dated 2nd instant, I have the honour to forward, herewith, a statement of the estimated expenditure on account of house-rent to Medical subordinates employed on Civil duty in the three districts which comprise this division.

2. It will be observed on contrasting the total expenditure with the grant for the division for this year that a saving of Rupees 520 can be effected; but as this will not be sufficient to meet in full the claim of Honorary Assistant Surgeon Huffton, a further sum of Rupees 418 will have to be placed at my disposal.

3. It may be well to state here that another Medical subordinate has preferred his claim for compensation in lieu of free quarters, which I have referred to the Controller of Public Works Accounts to clear up certain doubts.

4. In the event of its being decided that the Public Works Department should meet this subordinate's claim, I must ask the Government to place at my disposal (to meet unforeseen demands also) a sum of Rupees 400 in addition to the sum of Rupees 418 mentioned in paragraph 2.

5. Should Government not be disposed to disturb the grants for house-rent of the Vizagapatam and Godavery Districts, it will be necessary to supplement the grant for the Ganjam District by Rupees 698.
