Proceedings of the Madras Government, Public Works Department,
30th January 1871.

No. 527. Read the following letter from Assistant Surgeon E. NICHOLSON, R. A., to the Secretary to Government, Public Works Department, dated Madras, 16th January 1871 :—

I HAVE the honour to request permission to have some lithographs executed at the Government Lithographic Press. I am engaged in writing a book on Ophiology, which will require to be illustrated by very carefully drawn plates of Indian Snakes copied from my drawings, and I find that the work done by private lithographers in Madras is so defective as to be useless. The work is not urgent, and would be extended over the whole of the present year.

No. 528. ORDER THEREON, 30th January 1871, No. 264.

ESTABLISHMENT, No. 54.

THE Government have no objection to the plates which are to illustrate the work proposed to be published by Assistant Surgeon Nicholson being lithographed in the Government Lithographic Press.
