*Proceedings of the Madras Government, Public Works Department, 20th October* 1871.

Read the following letters:—

No. 331. From the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 19th September 1871, No. 2,559.

I HAVE the honour to submit for sanction an estimate, amounting to Rupees 800, for putting up lightning conductors over the roofs of the Deposit and Press-rooms of the Gun Powder Manufactory, which has been duly approved of both by the Inspector-General of Ordnance and Magazines and by His Excellency the Commander-in-Chief, and to recommend that the execution of the work may be deferred till the beginning of the next official year unless other funds can be given.

2. Colonel Cadell is very anxious that the conductors should be put at once, and he supplies the copper, for which no charge is made in this estimate.
