Proceedings of the Madras Government, Public Works Department, 21st October 1871.

No. 341. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 29th September 1871, No. 2,689:—

I HAVE the honour to request the sanction of the Government for the sale by public auction of the materials of the two houses situated on the spit of land at the Red Hill Lake, which will be this year entirely submerged, as well as Mr. Ritchie's stables, for the whole of which buildings compensation has already been paid.

2. At the same time I would recommend that the number of trees, as per enclosed list, now growing on this land, all of which will be under water, should be sold for firewood.

3. I am unable to estimate the value of the wood work of the buildings or of the trees, but I should suppose that they will at least fetch Rupees 2,000. I would further ask permission of the Government to build a small bungalow and out-houses in some convenient spot near the Red Hills, to be used as an inspection bungalow for the officers visiting the works and store-room, the cost of which would be fully covered by the proposed sale.

CIVIL WORKS, No. 27.

THE Government sanction the sale by public auction of the buildings and trees indicated by the Superintending Engineer of the 4th Division. The proceeds however cannot under the rules be employed in the manner proposed by Colonel Wilkieson, but should be accounted for as directed in the Controller's Circular No. 1,280, dated 22nd September 1870.

2. With regard to the bungalow proposed to be constructed for inspection purposes, a plan and estimate should be submitted for the sanction of Government.
