Proceedings of the Madras G[illegible]ment, Public Works Department,
21st October 1871.

Read the following letters:—

No. 358. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 24th July 1871, No. 1,344.

I HAVE the honour to observe that funds have not been allotted in G. O., No. 1,803, of the 7th July 1871, for the additions and alterations proposed to be made to the building used as my office, as promised in G. O., No. 62, dated 10th January last.

2. As for the want of sufficient accommodation some of the records of this office, as well as several packages of stationery received from Madras, are obliged to be placed out in the office verandah, where they are exposed to wind and rain. I propose now as Government are not seemingly in a position to allot any funds to hire a building which is now available, and remove a portion of the office furniture, etc., as well as conduct my own office duties in it, and request that the Controller may be authorized to pass the usual monthly rent of Rupees 50 on that account.

No. 359. From the same officer, dated Dowlaishweram, 25th September 1871, No. 1,979.

IN accordance with the request contained in your memorandum No. 149, dated 16th instant, I have the honour to return the plan which accompanied it, with the building I have proposed renting, marked A.

2. The necessity for additional office accommodation has been stated in my letter No. 1,344, dated 24th July 1871, which I am of opinion must have been lost sight of from the fact of no such inquiries, as the incurring of so serious an expenditure as Rupees 50 a month for partial office accommodation, etc., having been made in the memorandum* on the subject of office accommodation prior to the one under reply.

* No. 51, dated 12th August 1871.

3. I am aware of Government having declined my renting the late bungalow of General Cotton at a monthly rent of Rupees 40, but as the sanctioned additions to the building I now hold office in cannot be carried out without my having some other place to conduct office duties, I trust the Government will see that there is a further necessity for renting a building on this account, as well as that already reported in the letter referred to in paragraph 2.

4. It is of course optional with the Government to grant such an allowance as they may consider adequate; the usual grant under the Government of India and under this Government has been Rupees 50 a month to Superintending Engineers, and the application was made accordingly.

No. 360. ORDER THEREON, 21st October 1871, No. 2,685.

ACCOUNT, No. 33.

THE Controller of Public Works Accounts is authorized to pass to the Superintending Engineer of the 1st Division a sum not exceeding Rupees 50 per mensem on account of office-rent.
