CIVIL WORKS, No. 30.

SIR,—In acknowledging the receipt of the Proceedings of the Government of India under date the 16th September 1871, No. 604 A.—G., I am directed to observe that this Government have not been made acquainted with the reasons which induced the Government of India in the Public Works Department to propose the transfer of the Dowlaishweram Workshop with its capital to Provincial Services. As the Factory is primarily maintained in connection with the working of the vessels on the Godavery canals, the charges connected with which are of an Imperial character, the Government of Madras consider it erroneous in principle to transfer the Factory to Provincial Services, and I am to express a hope that the Government of India will, on re-consideration, be pleased to modify their orders under acknowledgment.

I have the honour to be,
Sir,
Your most obedient servant,

Colonel, R.E.,
Secretary to Government.
