Proceedings of the Madras Government, Public Works Department,
30th January 1871.

No. 535. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp at Guntoor, 12th January 1871, No. 141 :—

In reply to G. O., No. 54, dated 9th instant, I have the honour to report that the survey allotment mentioned by me is that sanctioned in G. O., No: 813, dated 18th March 1870, and transferred to the Kistna in G. O., No. 1,185, 5th May 1870.

2. Before Major Clay knew that I had received this order he was under the impression that he was to take over this establishment from Mr. R. Smith transferred to Madura, and employed a part in levelling channels in the delta of the Pennair, which required petty alteration, and which I should have passed but that I had obtained the transfer to the Kistna of the whole amount before I heard of Major Clay's procedure.

No. 536. Order thereon, 30th January 1871, No. 268.

ACCOUNT, No. 60.

Under the explanation afforded in this letter the Government authorize the Controller of Public Works Accounts to pass the charge of Rupees 47-4-9, incurred in levelling channels in the delta of the Pennair, against the grant for Survey Establishments in the 2nd Division.
