Proceedings of the Madras Government, Public Works Department, 24th October 1871.

No. 378. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Nullapareddypully, 7th October 1871, No. 1,285:—

I HAVE the honour, with reference to G. O., No. 13, dated 3rd October 1871, to inform you that I propose posting Mr. Assistant Engineer Norfor to the charge of Kurnool Range on his services being transferred to this division, though at the same time would observe that he seems very young to have such an important charge.

2. Mr. Supervisor Hayes, who is now in temporary charge of the range, will be deputed to the special duty of completing certain project works in the Kurnool Range.

3. Mr. Assistant Engineer Brickwell was ordered to assume temporary charge of the Madanapully Range *vice* Mr. O'Ratigan proceeding on two months' privilege leave, and on his (Mr. O'Ratigan's) return to duty Mr. Brickwell will have to resume his work on the Kundacoor project, which I understand to be completed pretty nearly in the rough.

4. I propose to appoint Mr. Brosnahan, who has been posted to the Bellary District, to the charge of the Ghooty Range *vice* Lieutenant Gray deceased.

No. 379. ORDER THEREON, 24th October 1871, No. 2,696.

ESTABLISHMENT, No. 31.

THE arrangements proposed in this letter are approved. As soon as the Government are in a position to do so, the services of an officer of greater experience will be made available for the Kurnool Range, if the Superintending Engineer should still desire to relieve Mr. Norfor of the charge.
