Proceedings of the Madras Government, Public Works Department, 30th October 1871.

No. 457. Read the following Docket from the Government of India, Public Works Department, (Account—Irrigation,) dated Simla, 28th September 1871, No. 204-A. I.:—

COPY of the following forwarded to all Local Governments and Administrations in the Public Works Department, Irrigation branch, for information and guidance.

By Order,
(Signed) J. J. McLEOD INNES,
Dy. Secy. to the Govt. of India.

From the Secretary to the Government of India, Home Department, to all Local Governments (except Punjab) and Local Administrations, dated Simla, 5th September 1871, Nos. 587—595.

A QUESTION having recently been raised respecting the payment for a police guard on one of the new State Railways, it has been deemed necessary, under the new system of provincial services, to modify partially the order forbidding inter-departmental payments.

2. The Governor-General in Council has been pleased to rule that all police furnished as guards over treasure, or stores, or works which are paid for from extraordinary loans, may be charged for by inter-departmental cash payments; but that sanction must be previously obtained from the authority with whom it rests to sanction other charges on the same work.

3. It is, however, to be clearly understood that this order does not relieve the Local Governments from furnishing from their ordinary police strength, or at the cost of provincial services, such police as may be required for the preservation of order in the neighbourhood of works and for the general security of property. If, in any exceptional cases, a very large number of men is employed on any work carried on from extraordinary loans at places far away from ordinary police stations, it will be open to the Local Government to submit for sanction any special arrangement which may seem called for by the circumstances of the case.
