2 Do. No 1135 of 27th July 1871 with his Canara Petition.

No 1438 dated 27th July 1871

I have the honor to inform you that as the reference in question did not call for a reply none was sent. Immediately 60 Rupees dated 13th August 1870 was received the Range Officer was directed to refund the 18 Rupees received from Mauley Faria's pay on his discharge. The Range Officer reports having paid the amount to Mauley Faria, at the same time noting that

that no action could be taken to recover the amount by Civil process as it could not be proved that Maisby Farias had acted with fraudulent intention, though the loss to Government occasioned through Maisby Farias' grave negligence and disobedience of orders— Maisby Farias then called upon me to direct a sum of Nine Rupees the first instalment which he had paid on account of the loss to Government of Rs 27, to be refunded to him— This I declined to do as the petitioner had never said a word about it before and had signed the acquittance Roll of his pay containing the deduction in token of its correctness, and further I considered it very desirable that the man, who is a most trouble some good for nothing fellow, should not escape punishment entirely

entirely for his conduct, and that the sum recovered should be considered in the light of a fine for his neglect of duty & disobedience of orders; I would therefore respectfully urge that my decision may not be disturbed.—

Canara District, having
by a wrongful represen-
tation caused the

27 for materials which
were not forthcoming

he cannot support
the charge
in this matter. The
order of the 13th
April 70 is as
applicable to the
deduction of Rs 9
which was made
from the Contractor
taking as it was
to the deduction
of Rs 18.

was required to make good the sum by instalments, and that the first instalment was received from his pay for December 1869.

Wm. Farias was dismissed in February 1870, and the balance of Rs. 18 was deducted in the adjustment of the arrears of pay due to him, but on the matter being brought to notice by the Brig Engr. the Govt. pointed out that the amount

paid by the Range Officer on Wm. Farias' representation should be recovered by Civil process if the Superintending Engr. was in a position to show that Wm. Farias acted with fraudulent intention. As there was no proof of fraud, the 18 Rs. were refunded, and Wm. Farias applied to Colonel Farewell for the refund also of the 9 Rs. received from him from his pay for December 1869.

Colonel

Colonel Farewell
declined to accede
to this application

It will be seen from
Colonel Farewell's letter
