No. 18. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 10th October 1871, No. 1,803 :—

ADVERTING to G. O., No. 1,328, dated 15th May 1871, wherein authority is granted for the travelling allowance of an Overseer on the Imperial Establishment being passed to Local Fund Overseer Ramanah "while employed on his present duties," I have the honour to state that the Overseer ceased to act for Talook Overseer Soobiah on the 28th March 1871. The Superintending Engineer, however, reports (*vide* enclosed memorandum) that Local Fund Overseer Ramanah has continued up to this time to perform the same duties as devolved upon him during Soobiah's absence, owing to the circumstance of Talook Overseer Serjeant Cormac having had to assume, and hold, charge of the Vizianagram Range.

One original memorandum from Superintending Engineer, 1st Division, No. 2,027, dated 30th September 1871.
One original letter from Executive Engineer in charge of the Vizagapatam Range, No. 434, dated 2nd October 1871.

2. Under these circumstances, I beg to report that, in accordance with the spirit of the G. O. above quoted, I have passed to Local Fund Overseer Ramanah, up to the end of August last, the single horse allowance (Rupees 15 per mensem) of an Overseer on the Imperial Establishment in addition to the ordinary batta (Rupees 15) of his rank, and trust that my proceedings will meet with the approval of Government.

NOTE.—The total amount claimed on Ramanah's behalf was Rupees 30 per mensem, namely.15, under "Imperial" and 15 under "Local."

3. From a communication,* dated 2nd instant, from Captain Beatty, I learn that Serjeant Cormac was expected to rejoin the Vizagapatam Range "in a few days." Care will be taken to see that no more than the ordinary batta of a Local Fund Overseer is passed to Ramanah after Serjeant Cormac's return to Waltair.
