No. 49. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 10th October 1871, No. 1,804 :—

With reference to the Proceedings of Government, No. 2,416, dated 22nd September 1871, I have the honour to forward herewith copies of a letter* addressed by me to the Controller of Public Works Accounts, Mysore, and of his reply† thereto, regarding the adjustment of the expenditure connected with the works transferred to the Mysore Public Works Department.

* No. 1,765, dated 3rd October 1871.
† ,, 3,131, ,, 6th ,, ,,

2. The course suggested by Mr. Robinson, that the expenditure on works in Mysore and the French Rocks should be remitted *in cash* by our Executive Engineer at Bangalore, is in accordance with the usual practice based upon instructions from the Accountant-General of the Public Works Department, and in this case as well as in the adjustment by "*Transfer*" of the expenditure on the Coorg buildings, the charges under the Budget heads will appear in the accounts of the Madras Public Works Department.

3. If the expenditure on the works is to be adjusted in the manner above described, the buildings cannot be removed from the Madras Public Works Budget, nor will it be necessary to place any sums at the disposal of the Chief Commissioner of Mysore. But if, on the other hand, by the transfer of the works, it is to be understood that they are to be excluded from the Madras Budget, the expenditure thereon cannot appear in the accounts of this Presidency. I request, therefore, that you will be good enough to favour me with the orders of Government as to which of these two arrangements is to be observed in carrying out the transfer of the buildings in question to the Mysore Public Works Department.

4. Early orders are solicited on this letter, as the Executive Engineer at Bangalore declines to carry out the adjustment indicated by the Controller of Mysore.

No. 50. Order thereon, 3rd November 1871, No. 2,784.

ACCOUNT, No. 5.

The expenditure on the works referred to by the Controller of Public Works Accounts in the letter above recorded should be adjusted in the manner pointed out in paragraph 2 during the current official year. In future years the works will be excluded from the Madras Public Works Budget estimates and incorporated with those of the Mysore

Government as proposed in paragraphs 2 and 3 of Major Johnson's letter, No. 3,263, dated 19th July 1871, recorded with G. O., No. 2,416, dated 22nd September 1871.
