Dated 6 11 1871.

Not to be folded or roughly handled.

Proceedings of the Madras Government, Public Works Department, 6th November 1871.

No. 86. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 14th October 1871, No. 2,579:—

In reference to G. O., 9th October 1871, No. 2,570, relegating for a period of twelve months the confirmation as solicited by me of Acting Overseer Nagalingum Pillay, I have the honour to point out that as that application is in the spirit of G. O. in the Revenue Department, 4th September 1871, No. 1,516, forwarded with your covering memorandum, 20th September 1871, No. 169, I trust that the decision may be re-considered.

2. In the G. O. in question it is stated that the result of allowing men to do duty in other departments in long periods is "seriously to discourage establishments in which the system is allowed free play."

3. At the present moment every member of my office establishment, with but one or two exceptions, is an acting man, and as regards Nagalingum Pillay I can see no object in putting in force the system objected to by Government, inasmuch as he has already acted as Overseer for more than two years with great credit to himself, as brought to the notice of Government in my letter printed with G. O., 28th June 1871, No. 1,731.

4. Nagalingum Pillay resigned the post of Acting Overseer at his own request, and I may add that it was more to oblige me than from choice that he consented to revert to these duties.

5. Under these circumstances, I trust that the Government will be pleased to authorize my confirming the Pillay in the appointment in question.

No. 87. Order thereon, 6th November 1871, No. 2,802.

ESTABLISHMENT, No. 12.

The Government do not consider Nagalingum Pillay's case at all analogous to those remarked on in G. O., No. 1,516, 4th September 1871, Revenue Department. In that order the practice of granting office servants lengthened leave to admit of their ascertaining if other employment would suit them, was disapproved of. Nagalingum Pillay, who was allowed to act as Talook Overseer conditional on his passing the prescribed examination in six months, failed to do so, and on the urgent recommendation of the Superintending Engineer of the 8th Division he has been again appointed to officiate. The Government will be quite prepared to confirm him in the appointment on a satisfactory report by the Superintending Engineer after a period of twelve months probation, which they are not disposed to dispense with, unless Nagalingum Pillay passes the prescribed formal examination.
