IRRIGATION, No. 6.

SIR,—I am directed to acknowledge the receipt of your letter No. 84-A. I., dated 25th May 1871, and to reply as follows.

2. The sum of Rupees 129-0-6, disallowed from Mr. Dodson's salary, has been erroneously entered in the Audit Statement for the half-year ended 30th September 1870, as it was recovered in August 1870.

3. In reference to the item of Rupees 70-6-0, the Agent of the Company states that with every desire to comply with the orders of this Government, yet, as obviously those orders will not protect him in a Court of Law, he will not attempt to enforce payment from Mr. Badham. This item will therefore have to be added to the amount already standing to the debit of "Items disallowed by Government."

4. The item of Rupees 41-15-0 will, under the orders of Government noted in the margin, be removed from the head "Items disallowed by Government."

No. 1,158, dated 24th April 1871.

5. In reference to the remaining items, I am to explain that it will be impossible now to recover them, for the officers from whom the recoveries should be made are no longer connected with the Company and are scattered all over the world. These items all stand debited to the head "Items disallowed by Government," and will be disposed of when the accounts of the Company are finally made up.

I have the honour to be,
Sir,
