G.O. No. 2853 Press Mis.

1887-88

Dated 10. 11 1887.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 10th November 1871.

No. 187. Read the following letter from the Superintending Engineer, 3rd Division, to the Chief Engineer for Irrigation, dated Bellary, 23rd October 1871, No. 1,365 :—

I HAVE the honour to request you will obtain the sanction of Government for the continued employment of the temporary establishment sanctioned in G. O., No. 434, dated 11th February 1871, for a space of two more months, as the work in connection with the investigation of the Dhone Project is not quite completed.

2. Mr. Supervisor Hayes reports, in his letter No. 233, dated 3rd instant, that he has been unable to look fully into the work in consequence of his other duties, and as he proposes going over the ground with the temporary Surveyor, I trust Government will sanction the proposal made in this letter :—

		For two Months.	Rs.
1 Surveyor,	at Rs.	100	200
1 Head Lascar,	at ,,	7	14
2 Lascars,	at ,,	6	24
3 Coolies,	at ,,	6	36
			274

3. I may observe that it is probable the establishment will not be required for the whole period.

No. 188. ORDER THEREON, 10th November 1871, No. 2,853.

ESTABLISHMENT, No. 23.

* Rupees 274.

THE Government sanction the entertainment of the establishment* applied for to complete the investigation of the Dhone Project.

2. The cost of the establishment will be met from the general allotment for establishments.

3. The investigation of the Dhone Project appears to be nearly completed, but nothing is said of the progress made relative to investigations for the restoration or thorough repair of existing works or of the examination of favourable sites for new works. The Government trust that the latter have not been neglected though no reports of progress made have been submitted.
