Proceedings of the Madras Government, Public Works Department, 31st January 1871.

No. 571. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 16th January 1871, No. 3,494 :—

ADVERTING to the list of Temporary Establishment appended to G. O., No. 813, dated 18th March 1870, in which Rupees 6,696 and 5,220 were allotted for the Godavery and Ganjam Districts, respectively, on account of surveys, etc., for Irrigation projects, I have the honour to inform you that almost all the grant for the Godavery District has been expended, leaving only a balance of about 800 Rupees available on 1st January 1871, which sum will not be sufficient to meet the demands by Range Officers during the remaining portion of the year on the above account.

2. Under these circumstances, I request you will be so good as to obtain the sanction of Government for a transfer of Rupees 1,000 from the grant for the Ganjam to that of the Godavery District, as the grant for Ganjam is but half expended, and from which, I believe, a large saving will be effected.

No. 572. ORDER THEREON, 31st January 1871, No. 287.

ACCOUNT, No. 62.

UNDER the circumstances brought to notice in this letter the Government sanction the transfer of Rupees 1,000 from the Ganjam to the Godavery District to provide for the anticipated excess outlay on account of Survey Establishments in the latter district, but it will be pointed out to Major Fischer that it was his duty to have taken timely measures for restricting the survey operations within such limits as would have prevented any excess over the sanctioned grant.
