Proceedings of the Madras Government, Public Works Department,
17th November 1871.

No. 321. Read the following letter from the Secretary to the Committee for the Examination of Assistants, to the Secretary to Government, Public Works Department, dated Madras, 10th November 1871, No. 896 :—

In acknowledging the Order of Government of 7th instant, No. 2,815, I am directed by the President to state that he entirely concurs with the Officiating Superintending Engineer of the 6th Division in his opinion regarding the examination papers set by the Acting Tamil Translator to Mr. Wybrow. Every paper furnished from this office should, he considers, be first submitted to the President's approval, but he finds on enquiry that it was the practice generally of his predecessors to limit their supervision to papers set to Civil Servants of all grades and to Military Officers going up for High Proficiency. Consequently this is the first occasion he has so much as heard of Mr. Wybrow of the Public Works Department.

2. He will make a change in the system, and meanwhile has directed the preparation of fresh papers in this case.

No. 322. Order thereon, 17th November 1871, No. 2,915.
