No. 354. From the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Wellington, 29th September 1871, No. 130.

1 Controller's Memorandum, No. 245, of 14th September 1871.

1 Controller's letter, No. 607, of 22nd September 1871, to Mr. Nordmann.

As pending a reply to my letter No. 129, of 29th September 1871, it is necessary that Mr. Executive Engineer Nordmann should continue to hold charge as a temporary measure of the Irrigation as well as the Collegal Ranges, I have the honour to recommend, for the favourable consideration of Government, his claim for the travelling allowance disallowed by the Controller as per enclosed correspondence.

No. 355. From the same Officer, dated Coimbatore, 21st October 1871, No. 155.

With reference to your Memorandum, No. 64 of 9th instant, I have the honour to forward herewith the Inspection Report of Mr. K. F. Nordmann, Executive Engineer in charge of Collegal and Irrigation Ranges for the month of August 1871.

No. 356. Order thereon, 20th November 1871, No. 2,932.

ESTABLISHMENT, No. 39.

As Mr. Nordmann was actually at his fixed head-quarters engaged on office work on the days in question, the Government do not consider that he has established a claim to travelling allowance for the period, nor are they prepared to admit the claim on account of Mr. Nordmann being temporarily in charge of a second range which necessarily happens occasionally.
