No. 385. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 18th October 1871, No. 1,876:—

From the Acting Inspector-General, Indian Medical Department, to the Controller of Public Works Accounts, dated Fort St. George, 16th October 1871, No. 5,413.

WITH reference to your letter No. 82, I have the honour to inform you that Honorary Assistant Surgeon Harvey, as Analyst of Potable Waters, is employed in the Military Department, although I am not able to certify that his work corresponds to Regimental duty. His house-rent consequently falls as a charge on the Public Works Department.

2. The Civil Department takes cognizance of the bills of such subordinates only as are employed in *Civil Hospitals* and *Dispensaries*, and under the Order of Government noted in the margin, the house-rent of all others in the Civil Department is disbursable by the Department Public Works, so that whether Mr. Harvey be considered as employed in the Military or Civil Department, his doing duty in other than a Civil Hospital or Dispensary renders his house-rent a charge on the Department Public Works. I have therefore the honour to request that his bill may be audited.

Public Department, No. 792, dated 23rd June 1870.

3. With reference to paragraph 2 of your letter, I have the honour to inform you that Mr. Harvey has been working at Madras since his appointment.

SUBMITTED for the consideration of Government.

2. The charge for house-rent on behalf of Honorary Assistant Surgeon Harvey, stated to be employed in the Military Department, was disallowed by this Office in the absence of the usual certificate, to the effect that he was employed on Regimental or corresponding duty during the period for which house-rent is claimed.

3. If Mr. Harvey be considered as doing duty in the Civil Department, the special service in which he is at present employed is not included in the list furnished by the Inspector-General of the Indian Medical Department of Civil charges in which house-rent to Medical Subordinates is payable by the Public Works Department. Orders are therefore solicited for the disposal of the charge.
