STANDING ORDER No. of 1871.

Transfer Accounts with other Departments.

Public Works Code, Chapter XX., Section II., for paragraphs 58 to 61 inclusive, substitute the following :—

Transfer accounts with other Departments.

58. Cash received from, and paid to, another department will be credited and debited respectively to that department. The value of stores received from, or issued to, another department will be similarly credited and debited or not at the option of the supplying department. Expenditure for other than permanent establishments of the supplying department will also, when required by the disbursing department, be adjusted in the same way through the transfer account. The advice of all such transfer transactions should be promptly communicated by the accounts office of the supplying department to that of the receiving department, in order that the necessary adjustment may be effected as quickly as possible.

Transfer of stores or instruments already charged off against Budget grant.

59. In cases where the cost of stores or instruments has already been charged off finally against any Government grant, the value of such stores or instruments will not be charged in the financial accounts to any other department to which they may be afterwards supplied. This rule does not apply to departments which have to show the profit or loss on their working, such as the Post Office, the Telegraph, and Forest Departments, the Mint and Public Works Workshops, which will continue to charge Government in the same way as they charge the public, the charge to be adjusted in the manner prescribed in paragraph 58.

No. 402. Order thereon, 23rd November 1871, No. 2,957.
