No. 414. Endorsement of the Acting Consulting Engineer for Railways, dated Madras, 24th October 1871, No. 465.

From the Acting Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 16th September 1871, No. 548.

I HAVE the honour to inform you that the Acting Chief Engineer states,* with reference to your letter, No. 569 of the 13th instant, that none of the roof materials shipped for the proposed Snider Manufactory at Madras are suitable for works in connection with this Railway.

* No. 507, 15th September 1871.

2. I return the plans and specifications.

From the Agent of the Great Southern of India Railway, to the Acting Consulting Engineer for Railways, dated Negapatam, 6th October 1871, No. 4,215.

THE plans and specifications received with your letter, No. 289, dated the 18th ultimo, were forwarded to the Chief Engineer with a request to let me know if the material offered could be utilized on the southern extension. The Chief Engineer replied to me that he has examined the plans and specifications, and that he cannot make use of the material.

2. The plans and specifications have been forwarded to your address by book post.

From the Agent and Manager of the Carnatic Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 21st October 1871, No. 230.

I HAVE the honour to return herewith the seven tracings and specification of shipment of the roof of the Snider Factory which it was intended to erect at Madras, and to state in reply to your office letter, No. 239, and G. O., No. 2,286, that the Chief Engineer reports that the roof cannot be conveniently utilized for any of the buildings required for this Railway.

2. The size and shape of the roofs are not such as are, in his opinion, suitable, and the detail drawings show them to be of a more expensive description than those which it is intended to recommend for use on the buildings of this Railway.

SUBMITTED to the Government, with reference to G. O., No. 2,286, dated 8th September 1871.

2. The Railway Agents have all replied that the roof materials shipped for the Snider Factory are not suitable for any of the works in connection with their Railways.

3. The drawings and lists are returned.

(Signed) H. L. PRENDERGAST, Major, R.E.,
Acting Consulting Engineer for Railways.
