Proceedings of the Madras Government, Public Works Department, 24th November 1871.

No. 442. Read the following letter from the Officiating Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 17th November 1871, No. 705 :—

I HAVE the honour to inform you that having appointed Mr. Supervisor Stephens, who was employed on special duty in No. 1 Range, Tanjore, to the charge of No. 3 Range (*vice* Mr. Walton* reduced to Talook Overseer), his minor establishment, entertained under G. O., No. 1,299, dated 12th May 1871, was retained in Range No. 1, but the Controller, however, declines to pass its salary without the special sanction of Government. The establishment in question was originally entertained for Mr. Walton while in Range No. 1, and was employed in keeping the accounts of the regulating works in progress which he had charge of; but on Mr. Walton's appointment to No. 3 Range, in March last, the establishment was attached to Mr. Stephens, and it continued to keep the accounts of the regulating works. There are no other hands available to keep the accounts of these works, and as the entertainment of temporary clerks from works is prohibited in G. O., No. 52, dated the 6th October, I request that authority may be granted for continuing the minor establishment till the completion of the regulating works, or until the appointment of another Supervisor for special duty in the place of Mr. Stephens.
