Proceedings of the Madras Government, Public Works Department, 24th November 1871.

No. 444. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 27th October 1871, No. 2,327 :—

ADVERTING to paragraph 2 of G. O., No. 2,440, dated 23rd September 1871, I have the honour to report for the information of Government that I am desirous of keeping Local Fund Overseer D. Kristniah in the Yernagudem Talook permanently, as he appears able to stand the climate of that talook, which is extremely unhealthy. Six Overseers have been tried there lately, three have died, one was brought in so ill, he was six months on the sick report, and the others have had to be removed for ill-health. Kristniah is able apparently both to stand the climate and to execute all the works most satisfactorily, and I beg, therefore, as a special case, and as subordinates in the Wynaad and other unhealthy climates are allowed extra rates of salary, etc., that Government will be pleased to authorize the Controller of Public Works Accounts to continue to pass travelling allowance in full to D. Kristniah.

2. I have further to explain that, as no officer has been sent here yet to replace Captain Begbie, I have been obliged to keep Mr. Martin in charge of No. 4 Range, and give another Overseer to Mr. Walch in the Western Delta, and unable therefore to relieve Kristniah as yet.

No. 445. ORDER THEREON, 24th November 1871, No. 2,979.

ESTABLISHMENT, No. 48.

UNDER the peculiar and exceptional circumstances of the case, His Excellency the Governor in Council sanctions the continued employment of Local Fund Overseer Kristniah in the Yernagudem Talook of the Godavery District, and authorizes a Talook Overseer's travelling allowance being disbursed to him while so engaged, the excess over the sanctioned scale of batta for a Local Fund Overseer being debited to the Imperial grant for establishments.
