No. 450. Read the following Endorsement of the Revenue Department, dated Fort St. George, 11th November 1871.

Proceedings of the Board of Revenue, dated 3rd November 1871, No. 4,602.

From the Officiating Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Vallam, 28th September 1871, No. 301.

With reference to the Board's Official Memorandum, dated 14th instant, No. 1,211, I have the honour to state that the Superintending Engineer of the Division informs me that though the proposed improvement to the Assistant Collector's Cutcherry at Combaconum was included in the statement of works to be provided for from the Reserve of 1871-72, submitted to Government in May last, yet no funds have been allotted, and that the work has, therefore, not been commenced.

This letter and the memorandum to which it is a reply will be submitted for the information of Government with reference to Government Order, dated 19th November 1870, and previous orders.

2. Unless provision for the work be made at least in the Budget of 1872-73, the charges on account of extra tentage will probably equal, if not exceed, the estimated cost of the improvements.

Transferred to the Public Works Department in view to the necessary provision being made in allotting funds for 1872-73.
