Proceedings of the Madras Government, Public Works Department, 27th November 1871.

No. 474. Read the following Endorsement of the Deputy Consulting Engineer for Railways, dated Madras, 4th November 1871, No. 481 :—

From the Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 24th October 1871, No. 636.

I HAVE the honour to forward herewith, for the sanction of Government, a statement of a proposed revised establishment for the Police force.

2. The present sanctioned establishment amounts to Rupees 1,438 per mensem, and the proposed establishment to Rupees 1,686-8-0, of which the Great Indian Peninsula Company will pay Rupees 53 as their share of the cost of the Raichore staff, so that the increase, so far as the Madras Railway Company is concerned, will be Rupees 195-8-0 per mensem.

3. The extension of the line has increased the duties and responsibilities of the Chief Inspector, whose pay it is proposed to increase from Rupees 170 to Rs. 200 per mensem. It is also proposed to give a higher rate of pay to Deputy Inspectors, to enable the Traffic Manager to promote deserving incumbents, and to induce eligible men to join as vacancies occur.

4. The staff at the Salt Cotaur station is re-modelled to insure greater efficiency.

5. The Police force at Mutmurri and Raichore is appointed by the Government of His Highness the Nizam, and is determined and controlled by the Judicial Superintendent of Railways in the Nizam's dominions. The total cost of the force is Rupees 431 per mensem, of which the Nizam's Government pay Rupees 228, and the Railway Companies Rupees 203. The arrangement, under the circumstances of the country, is the best, in my opinion, that could be well adopted.
