Proceedings of the Madras Government, Public Works Department, 29th November 1871.

No. 525. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 22nd November 1871, No. 3,433 :—

WITH reference to paragraph 2 of the Proceedings of Government, No. 3,109, dated 20th December 1870, I have now the honour to state that no expenditure whatever has been incurred on the improvements to the Talook Cutcherry and Police Station Houses at Chittoor.

2. In paragraph 3 of my letter, embodied in the G. O. quoted above, I inadvertently stated that the outlay of Rupees 2,763-11-11, referred to therein, was incurred on the improvements to those buildings as well as the construction of the new Sub-jail at Chittoor, as from the fact of the two works having been exhibited in one item in the Range Accounts I was led to believe that the amount represented the outlay on both works. I now learn from a reference to the Range Officer that the full amount was spent on the Sub-jail alone, and no portion of it laid out on the improvements to the Cutcherry and Station Houses.

3. A further sum of Rupees 467-6-10 was spent on the new Jail up to the end of the past official year, thus making a total outlay of Rupees 3,231-2-9 on this one work alone.

4. The two works are still exhibited as one item on the Range Progress Report, and a grant of Rupees 811 has been sanctioned for them in G. O., No. 1,803, dated 7th July 1871. No estimate for new Jail at Chittoor has as yet been submitted to Government, it being in contemplation to forward the estimates for all the Sub-jails in North Arcot at the same time.

No. 525A. ORDER THEREON, 29th November 1871, No. 3,019A.
