GROUNDS OF PROPOSITION.

THE sum entered against Item 1 is intended to cover the expenditure incurred on asphalting the floors of the Female Hospital at Bangalore, for which insufficient provision was made in the original sanctioned estimate; that against Item 2 is for the construction of latrines for the 27th and 39th Regiments of Native Infantry at the same station, which is considered of special urgency; and the amount against Item 3 is for necessary alterations to the building in the fort recently occupied by the Military Fund Office to adapt it for the department of the Inspector-General, British Medical Service. These several sums can be provided from savings effected in the Budget allotment* for Hospital Serjeants' quarters attached to the Race-course Barracks at Bangalore.

* Rupees 7,800.

The sum proposed to be transferred to Item 4 is much needed for the renewal of the roofs of two ranges of temporary barracks at Trichinopoly, which are represented to be in a very leaky condition, and for the restoration of which no money is available from the small assignment under "Repairs Military."
