Proceedings of the Madras Government, Public Works Department,
30th November 1871.

No. 549. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account—Buildings and Roads,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 7th November 1871, No. 407-A. B. :—

I AM directed to acknowledge receipt of the Proceedings of the Madras Government, No. 240, dated 14th October 1871, requesting sanction to an additional allotment being placed, if possible, at the disposal of the Local Government for repairs to Military buildings, and in reply to state that there are no funds at the disposal of this department from which an extra allotment can be made.

2. The circumstances of the case do not seem to be such as to warrant an application being made to the Financial Department for an increase to the total public works grant for all India, and as the amount involved, Rupees 4,000, is small, there should be no difficulty in providing what is required by restricting or, if need be, suspending expenditure on Original Works Military, the grant for which amounts to Rupees 2,20,000.
