Calculation of interest on contributions to the special funds of Guaranteed Railways.

READ—

A note No. 268 R, dated 27th September 1871, from the Accountant-General, Public Works Department, submitting for orders certain correspondence that passed between him and the Consulting Engineer for Railways, Bombay, on the subject of the principle upon which the interest allowed on contributions to the special funds of Guaranteed Railway Companies should be calculated.

RESOLUTION.—After a careful consideration of the question involved in the correspondence now read, the Government of India is pleased to rule that contributions to the special funds of Guaranteed Railway Companies shall bear interest from the commencement of the half-year succeeding that on account of which the contributions are made, and that the amounts involved shall not be taken to account in calculating the interest on revenue balances in the hands of Government for the month in which the transfer adjustments between the Revenue and Special Funds accounts are effected.

ORDER.—Ordered, that the foregoing Resolution be communicated to the Local Governments and Officers noted in the margin; for information and guidance.

Ordered also, that a copy be forwarded to the Financial Department for information.
