No. 39. Read the following letter from the Officiating Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Cuddalore, 24th November 1871, No. 195 :—

THE Assistant Quartermaster General, Mysore Division, in a letter dated 17th instant, brings to notice the urgent necessity for improving the sick cart shed at Bangalore, for which an estimate of Rupees 900 was sanctioned in G. O., No. 562, of 25th February 1871 ; it is also observed from the Proceedings (which accompanied that letter) of a Committee of Enquiry assembled by order of the Officer Commanding the Division, that in consequence of the insecure way in which the carts are left the cushions and side curtains of some were stolen.

2. I am unable to point out any source whence the Rupees 900 required can be obtained. I have, therefore, the honour to request that the Government will be pleased to grant the amount from the sum of Rupees 1,570, surrendered from the grant for Hospital Serjeant's quarters on the Race Course, and held at the disposal of Government in G. O., No. 2,793, of 4th instant, or, should this be not available, to transfer the same from any other division, the work in question being considered emergent by the Military authorities.

No. 40. ORDER THEREON, 2nd December 1871, No. 3,051.

MILITARY WORKS, No. 2.

HIS Excellency the Governor in Council resolves to allot the sum of Rupees 900 required for a sick cart shed at Bangalore from the balance (Rupees 1,030) of the Rupees 2,000 allotted in G. O., No. 1,803, dated 7th July 1871, for the re-construction of the hospital attached to the 2nd Native Infantry Regiment at Waltair, a portion of which sum only has been appropriated in providing temporary accommodation.
