Proceedings of the Madras Government, Public Works Department, 4th December 1871.

No. 54. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 10th November 1871, No. 2,501 :—

I HAVE the honour to request the permission of Government to the Supervisor in charge of the No. 1 Range, Vizagapatam District, making Yellamunchilly his head-quarters instead of Nursipatam, which is a most unhealthy station to live in, and the climate of which so disagreed with the Range Officer and his Office establishment, both in the present and past years, as to have induced me for a time to allow Mr. Laskey to make Vizagapatam his head-quarters.

2. By making Yellamunchilly his fixed station the works in Mr. Laskey's Range will receive the same attention as at present. I beg, therefore, that the proposed change may be sanctioned.
