No. 133. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 23rd November 1871, No. 2,161 :—

1 Original letter dated 21st November 1871.

WITH reference to the enclosed letter from the President of the Committee for the Adjustment of the Estate of the late Lieutenant John Gray of the Public Works Department, I have the honour to request the orders of Government as to the amount of pay which should be passed on his account from the date on which he ceased to do duty in the department to that on which he died.

2. On the 24th July 1871, Lieutenant Gray gave over charge of the Ghooty Range, and on the following day six weeks' privilege leave was granted to him in the *Fort St. George Gazette.** On the 24th August, Mr. Gray obtained one year's furlough on medical certificate to Australia, of which, however, he never availed himself. At the time that the six weeks' leave above mentioned was granted to him, Mr. Gray was eligible to three month's cumulative privilege leave, and, under these circumstances, Government may perhaps be disposed to authorize this office to regard the entire period of absence, (namely, from 25th July† to 19th September 1871,‡) as on privilege leave, and to regulate Mr. Gray's pay and allowances accordingly.
