No. 150. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 18th November 1871, No. 2,584 :—

One copy of letter, No. 314, dated 4th November 1871.

In forwarding, herewith, copy of a letter received from the Assistant Engineer in charge, No. 4 Range, Godavery, reporting the circumstances under which an outlay of Rupees 5 had been incurred in defending a suit brought by the Zemindarnees of Senevarapupetta against Mr. Supervisor West, I have the honour to inform you that, under the authority conveyed in G. O., No. 3,342, dated 16th October 1869, I authorized the Range Officer to conduct the suit in question, the charges being debited to the head " Contingencies;" but the Controller of Public Works Accounts objected to the outlay being incurred, and requested me to obtain the sanction of Government for conducting the suit. I request permission to defend this suit, and to debit the outlay to Contingencies, and in future to conduct similar suits without specially referring to Government in each individual case.

No. 151. Order thereon, 8th December 1871, No. 3,106.

ESTABLISHMENT, No. 17.

The charge of Rupees 5 is sanctioned as a debit to Contingencies, but in cases in which the institution or defence of a suit has not been previously authorized by Government, sanction should be obtained according to rule before outlay is incurred or proceedings are commenced.

2. With reference to the suit referred to in this letter, His Excellency the Governor in Council authorizes its being defended at the public expense in the first instance, and on the termination of the suit it will be decided whether the cost shall be borne by Government or not.

Sir

With reference to your docket No 2256 d/24th ultimo requesting to be informed under what circumstances the Sanivarapetta Zemindarees brought a land-suit against Mr or C West Supervisor, I have the honor to report briefly the facts of the case as follows. G O No 416 dated 9th February/71 together with a Statement shewing the tanks in the Ellore Taluq that required repairs prepared by the Head Asst Collector Godavery was forwarded by Captain Beyhie Executive Engineer in February last to Mr West with instructions to prepare detail Estimates for all the tanks referred to in Mr Hassell's Statement. In that Statement it was noted that the supply channel of Sakaruppad Tank was silted up and that the silt required to be removed. Accordingly Mr West prepared an Estimate for clearing silt from the supply channel which was in due course sanctioned and the Work

to the Vakeel, but will pay any further expenses that Mr. West may be put to upon the case being finally decided.

Two letters from Mr. West Superintendent together with other documents are herewith forwarded
