For orders

Immediate Chief Sec. Le considers it desirable

Forwarded to the Mysore Authorities for information. Copies of letters from Mysore Govt. & Madras Govt. are enclosed.

The Commissioner of Mysore forwards a list of Soldiers' Sheds along lines of road in that Province, which since the opening of the Railway are no longer used for the purpose for which they were intended, and enquires whether there is any objection to the Mysore Govt. taking charge of them for the accommodation of Officers' Details and small Escorts returning from the performance of detached duties as under a recent order they are to return to their Regiments by Road instead of by Rail.

There appears to be no special reason why the Mysore Govt. should not be allowed to take over these buildings, provided they may be made available when required for the accommodation of Officers' Details and small Escorts returning from the performance of detached duties as under a recent order they are to return to their Regiments by Road instead of by Rail.

has in a great measure superseded, but it seems desirable that buildings of that description on such road as from Bangalore to Cannanore, to Mercara and to Mangalore should still be retained for the accommodation of troops travelling on those lines.
