Proceedings of the Madras Government, Public Works Department, 13th December 1871.

No. 239. Read the following letter from the Sanitary Commissioner for Madras, to the Secretary to Government, Public Works Department, dated Madras, 5th December 1871, No. 1,776:—

THE Right Honourable the Secretary of State for India having called for "an early and complete report" on the sanitary reforms in progress at Bangalore, I have the honour to request that you will have the goodness to communicate to me the decision of Government in regard to the proposition in my letter No. 607, dated 2nd May 1871, to enlarge the filtering area of the "Dhobies' Wells," so as to supply the European troops of the station with water safely from that source.

No. 240. ORDER THEREON, 13th December 1871, No. 3,146.

MILITARY WORKS, No. 8.

THE Sanitary Commissioner will be informed that no decision has yet been arrived at by the Government on the question referred to by him, and that a report on the total expenditure required for completing the Ulsoor and Dhobies' Wells projects separately is awaited from the Superintending Engineer.
