G.O. No. 314 Press ~~Mis.~~

333-36

Dated 1 & 2 1871.

Not to be folded or roughly handled

Read the following letters:—

No. 33. From the Acting Superintending Engineer, 5th Division, to the Chief Engineer for Irrigation, dated Madras, 13th December 1870.

In reference to your Memorandum, No. 211, of the 27th October last, I have the honour to inform you that the full grant for Minor New Works, Agricultural in the Salem and South Arcot Districts will be utilized during the current year, and that an additional grant of Rupees 1,000 will be required in South Arcot for works under the above-mentioned heading.

2. If there are no funds available under Agricultural "Reserve," a transfer of Rupees 1,000 can be made from the grant of Rupees 35,000 of the Salem District under "Repair, Agricultural."

No. 34. From the Acting Superintending Engineer, 7th Division, to the Chief Engineer for Irrigation, dated Camp at Calicut, 17th November 1870, No. 179.

With reference to your Memorandum, No. 211, of 27th October 1870, I have the honour to report that Rupees 3,000 additional can be spent during the current year under the head of Minor New Works, Agricultural in the Coimbatore District, including Rupees 1,703 on the Mungamury Aqueduct, sanctioned in G. O., No. 2,227, of 16th September, which, I think, might very fairly come under this heading. Besides, the next four months of the year being the best portion of the working season, and there being but little other work of importance for the Collegal Range Officer in the current year, Mr. Nordmann will be able to give more personal attention to the Mangamury work if carried out now than hereafter.

No. 35. From the Acting Superintending Engineer, 8th Division, to the Chief Engineer for Irrigation, dated Palamcottah, 19th December 1870, No. 2,521.

With reference to your Circular Memorandum, No. 211, dated 27th October last, I have the honour to forward a statement showing the amount proposed to be expended during the current official year out of the Budget Grant for Minor New Works, Agricultural.

Statement showing the amount granted under Minor New Works, Agricultural for 1870-71, *the proposed expenditure during the year, the amount available for transfer, and the additional grant required.*
