Proceedings of the Madras Government, Public Works Department, 14th December 1871.

No. 256. Read the following letter from the Under-Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 30th November 1871, No. 2,408-R:—

I AM directed to acknowledge the receipt of your letter No. 2,678, dated the 21st October 1871, requesting sanction to a proposal submitted by the Agent and Manager of the Madras Railway Company to carry out the works noted in the margin* at the Raichore Junction station for the exclusive use of his Company at an aggregate cost of Rupees 19,728, leaving the existing watering arrangements sanctioned in Public Works Department, No. 2,056-R., of the 22nd December 1870, to be used by the Great Indian Peninsula Railway Company, who will bear the cost of their construction.

	Rs.
Tank-house	14,489
Well staging	1,678
Water-column	559
Well	3,002

2. In reply, I am to observe that the cost of the tank proposed to be built for the exclusive use of the Madras Railway Company is double the estimated cost of the tank which has been built for the joint use of the two Companies, and the cost of the well staging is also to be much heavier. Pending explanation on these points the Government of India will defer passing orders on the case.

No. 257. ORDER THEREON, 14th December 1871, No. 3,155.

RAILWAY, No. 40.

COMMUNICATED to the Consulting Engineer for Railways, with reference to G. O. No. 2,677, dated 21st October 1871, and with a request that the information called for by the Government of India may be furnished.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the Acting Consulting Engineer for Railways.
