Proceedings of the Madras Government, Public Works Department,
18th December 1871.

No. 313. Read the following Endorsement of the Acting Consulting Engineer for Railways, dated Madras, 7th December 1871, No. 534:—

From the Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 6th December 1871, No. 736.

WITH reference to the conversation which took place at the Stores Committee on the 4th instant, I have the honour to inform you that I have this morning paid Mrs. Erskine Rupees 750 in full satisfaction of any claim she may have had upon the Company in respect of loss sustained through the death of her husband.

2. You will doubtless remember that Erskine was the driver of the unfortunate train which met with the accident at the Cheyaur bridge on the 21st of October 1870; and the settlement which I have effected with his widow will, I hope, meet with the approval of the Government.

SUBMITTED for the approval of Government.
