Proceedings of the Madras Government, Public Works Department, 19th December 1871.

No. 332. Read the following Endorsement of the Deputy Consulting Engineer for Railways, dated Madras, 6th December 1871, No. 532 —

MADRAS RAILWAY.

No 721.

Application from the Agent and Manager requesting an expression of the views of Government as to the promotion of the under-mentioned Officer —

Department —Locomotive. *Name*—Walter James Collinson *Office*—Assistant to the Locomotive Superintendent *Present salary*—£750 per annum *Date of entertainment in the Company's service*—31st May 1859 *Office and salary proposed*—Deputy Locomotive Superintendent, £900 per annum *Grounds on which the proposal is made.*—Mr Collinson is strongly recommended by the Locomotive Superintendent for promotion on the grounds of his efficiency and the conscientious manner in which he has performed his duties during the 12½ years he has held his present appointment As Mr Wright now has a Second Assistant it is proposed to designate Mr Collinson in future "Deputy Locomotive Superintendent"

During the two years Mr Wright was in Europe on sick leave Mr Collinson had sole charge of the department and acquitted himself in a manner that enables me to endorse all that the Locomotive Superintendent has said in his favour, while looking at the length of line over which we now work, I am of opinion that the duties of the post justify the increased salary named. I therefore submit the application for the favourable consideration of Government. *Remarks by the Consulting Engineer for Railways.*—Recommended on the grounds stated by the Agent
