No. 330.

No. 3,199.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

ACCOUNT, No. 30.

SIR,—As, in apportioning the charges to be incurred on account of Public Works Establishments in 1872-73 under the several heads of Ordinary, Provincial, Local and Special, it is proposed to follow the principle of requiring each service to contribute a ratable amount, fixed with reference to the outlay on New Works and Repairs under each head of service, after excluding Extraordinary Agricultural, Railway and Civil Engineering College charges, I am directed to state that as the allotments to be made for Public Works and Establishments under Local and Provincial in the ensuing year cannot be estimated until the necessary returns are before the Government, which will be about the 15th January 1872, the preparation of the Imperial Budget in this department will be unavoidably delayed beyond the date fixed for its submission to the Government of India, but every effort will be made to despatch it as soon after the 15th proximo as possible.

I have the honour to be,
Sir,
Your most obedient servant,

(Signed) J. CARPENDALE, Colonel, R.E,
Secretary to Government.
