*Proceedings of the Madras Government, Public Works Department,
7th February 1871.*

No. 133. Read the following letter from the Acting Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 30th January 1871, No. 47 :—

With reference to the Order of Government, No. 2,898, dated 1st December 1870, and to an application made by Messrs. Arbuthnot and Co., I have the honour to request the sanction of Government to the disbursement to them of a personal remuneration, at the rate of £50 per month, from the 1st January 1870 to the 5th December last, the latter being the date on which the agency of the Carnatic Railway Company was made over to Mr. J. T. Fisher.

2. Messrs. Arbuthnot and Co., in their letter of the 27th instant, consider that they should receive payment to the end of December; but the Secretary of State distinctly limits the time to the date of handing over charge.

From Messrs ARBUTHNOT and Co., to the Deputy Consulting Engineer for Railways, dated Madras, 23rd January 1871.

We have the honour to request that you will be so good as to inform us if Government has yet sanctioned the disbursement to us of the remuneration proposed by the Home Board of the "Carnatic Railway Company"

From Messrs. ARBUTHNOT and Co., to the Consulting Engineer for Railways, dated Madras, 27th January 1871.

We have the honour to acknowledge receipt of your communication, No. 54, dated 24th instant, and, in reply, to state that we handed over the management of the "Carnatic Railway Company" to Mr J T Fisher on the 5th December 1870. We, however, consider that, in disbursing to us the amount of remuneration, it should be calculated for the full period of twelve months.

No. 134. ORDER THEREON, 7th February 1871, No. 365.

RAILWAY, No. 19.

In Proceedings, No. 1,946, dated 15th August 1870, the Government having remarked that the grant of a personal remuneration to Messrs. Arbuthnot and Co. for the conduct of the agency of the Carnatic Railway Company was a matter in which the Board of Directors should properly take the initiative, the Board, in their letter to the Home Government, dated 5th October 1870, proposed that the allowance should be fixed at £50 per mensem from the 1st January 1870 up to the date on which Messrs. Arbuthnot and Co might hand over charge to the newly-appointed Agent and Manager. The Secretary of State having communicated his approval of this arrangement, His Excellency the Governor in Council sanctions the disbursement of the proposed remuneration from 1st January to 5th December 1870.
